DVM Rebecka Frey (Frey Veterinärklinik, Nordköping) is one of the most experienced veterinary dermatologists in Scandinavia with a profound knowledge of CO₂ laser surgery of chronic pododermatitis.

We are happy to announce that Rebecka is coming to Denmark in November to teach us how to use the CO₂ laser and how to deal with chronic pododermatitis in general.

The language will be English.

Time: Thursday November 24 at 10:00-16:00 and Friday November 25 at 9:00-13:00.

Venue: Hudklinik for hund og kat, Brønsholmvej 26, 2980 Kokkedal, Denmark (30 min. from Helsingborg).

Cost: DDK 9.375- (VAT included) – breakfast, lunch and notes included.

Accommodation: Comwell Borupgaard (DDK 995,- breakfast and spa included). Booking by mail to Fabio Messina - fme@comwell.com (mention special price).

Registration: Email info@dyrlaegeboysen.dk – first come, first served.

The number of participants is limited to 20.

See you there!
